# Summary of Benefits

This is a summary of drug and health services covered by TexanPlus Choice (HMO-POS).

TexanPlus® HMO-POS is a Medicare Advantage plan with a Medicare contract. Enrollment in TexanPlus® HMO-POS depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please request the Evidence of Coverage (EOC) by calling us or visiting our website. See back page for contact information.

## Who can join?

To join TexanPlus Choice (HMO-POS), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Houston – Beaumont Area: Houston: Austin, Brazoria, Fort Bend, Galveston (zip codes: 77510, 77511, 77517, 77518, 77539, 77546, 77549, 77563, 77565, 77568, 77573, 77574, 77590, 77591, 77592), Harris, Liberty, Montgomery, and Waller. ## Which doctors, hospitals, and pharmacies can I use?

TexanPlus Choice (HMO-POS) is a Health Maintenance Organization (HMO) with a Point-of-Service (POS) option. Our plan has a network of doctors, hospitals, and other providers. If you use the providers in our network, you may pay less for your covered services. You have the flexibility to choose providers out-of-network without an authorization or referral, (as long as the provider accepts the plan's terms and conditions of payment and participates in the Medicare program) but you may pay a higher cost share.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

For more information on our network of doctors, hospitals, pharmacies, and other providers, please call us or visit our website at [www.TexanPlusPOS.com](http://www.TexanPlusPOS.com). See back page for contact information.

## How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use our plan's formulary (list of covered drugs) to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

**GAP COVERAGE STAGE**

Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$3,700.

After you enter the coverage gap, you pay 40% of the plan’s cost for covered brand name drugs and 51% of the plan’s cost for covered generic drugs until your out-of-pocket costs total \$4,950, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Under this plan, you may pay even less for the generic drugs on the formulary. Your cost varies by tier. You will need to use your formulary to locate your drug’s tier. The chart below shows how much it will cost you.

30-Day Retail	90-Day Retail
\$0.00	\$0.00

Tier 1: Preferred Generic - All Drugs Covered

**CATASTROPHIC COVERAGE STAGE**

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$4,950, you pay the greater of:

- 5% of the cost; or
- \$3.30 copay for generics (including brand drugs treated as generic) or
- \$8.25 copayment for all other drugs.

**OTHER INFORMATION**

Cost-sharing may change depending on the pharmacy you choose and when you enter another phase of the Part D benefit. For more information on the additional pharmacy-specific cost-sharing and the phases of the benefit, please call us or access our Evidence of Coverage online.
