**Information about this Request for Coverage of a Non-Formulary Drug**

---

Use this form to request coverage of a drug that is not on the formulary. To process this request, documentation that all formulary alternatives would not be as effective or would have adverse effects is required. Please provide clinical information or other evidence supporting the medical necessity of the non-formulary drug, including previous formulary drugs attempted for this patient's condition. If the formulary exception is approved, it will be reimbursed at the highest brand tier copay for the calendar year.

You can make an expedited request by indicating this at the top of the attached form. If you request an expedited review and sign the attached form, you certify that applying the 72 hour standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function.
