### Information about this Request for a Lower Copay (Tiering Exception)

Use this form to request coverage of a brand or generic in a higher cost sharing tier at a lower cost sharing tier. Certain restrictions apply.

To process this request, documentation that all of drugs to treat the same medical condition on the lower cost sharing tier would not be as effective or would have adverse effects must be provided. Please provide clinical information or other evidence to support the medical necessity of the drug on the higher cost sharing tier, including previous drugs attempted for this patient's condition. Please note: **Tiering exceptions cannot be requested for non-formulary drugs approved under the formulary exception process, drugs in the specialty tier, or brand-name drugs at the price of a generic drug.**

You can make an expedited request by indicating this at the top of the attached form. If you request an expedited review and sign the attached form, you certify that applying the 72 hour standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function.
